Other	Year:	2010	Non-Federal	LOCAL	\$280.0
Federal Total:	\$720.0		Non-Federal Total:	\$280.0	Total: \$1,000.0

Description: This project will support the implementation of a critical North/South spine of the Johnson County Transit Strategic Plan - Phase I expansion of the Metcalf/Shawnee Mission Parkway corridors and the 75th Street Connector service. The Metcalf/Shawnee Mission Parkway implementation will greatly enhance the existing level of service operated on Metcalf. This service will provide direct access to both the downtown central business district and the Plaza for additional connections to the KCATA's MAX service. The 75th Street route will provide service to the Waldo area for ease of transfer at the Wornall Road MAX station. Theroute will also create a cross-county connector that will provide access to the K-10 Connector service at Johnson County Community College.
